*Our services do not include external reports or consents required for the Building Victorian Authority, Building Appeals Board, CFA/MFB or Local Government. These services are available at \$135p/h + GST & Statutory fees (if required) provided they're not considered to be a conflict of interest by definition under the Building Act 1993 (Building Surveyor being involved in the design process)

*The information requested on this form provides Coast to Country building approvals with the appropriate details necessary to issue a Building Permit in accordance with the Building Act 1993. Some or all of this information may be printed on the Building Permit, and/or other relevant notices and forms and may be provided to the Australian Bureau of Statistics. It will also be used to form a Public Register to be held at the relevant council offices. Coast to Country building approvals may not be able to process this application unless sufficient information is provided by the applicant.
